Dear Sir:

Applicant requests that the above application be withdrawn from issue for consideration of a request for continued examination filed herewith.

U.S. Patent Nos. 4,795,206 and 4,807,921 were cited in a search report in the corresponding PCT application and inadvertently not made of record in the present application. A Preliminary Report was received on August 30, 2005, after payment of the issue fee on August 20, 2005, indicating nonpatentability of several claims over these prior patents. The Examiner named on the PCT Preliminary Report was a different person than the Examiner on this application.

Applicant thus seeks to have the Examiner of this application consider these references and other references which are believed to be cumulative over the references cited..

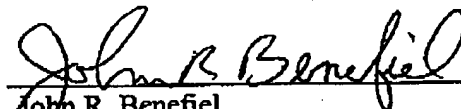

Favorable consideration is respectfully requested on an expedited basis to prevent publication.

The required petition fee of \$130.00 is enclosed.

Respectfully submitted,

Date: September 7, 2005
